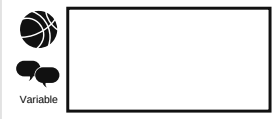
Mapping Scenario

1. Identify the usages of the spaces in Metropoliz. (15')



2. What do you like or dislike about the Metropoliz? Do you see opportunities or dangers? Add traffic lights to the map. (30')

3. Add the social aspects of the usage of the spaces in Metropoliz. (15')

4. Take a critical look at the map so far. What should the orientation of the open spaces in Metropoliz be within this context? Add 3 keywords to the border of the map (personal choice) (5')

Input Input Input

5. Choose 4 keywords in group what is most important for the transformation of the open spaces. Place them at the centre of the map. (25')

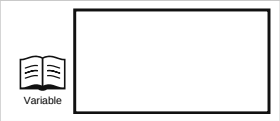
6. Which sustainable projects can be created within this vision? Everybody thinks of 1 project that can be useful for all the communities. (10')

7. Focus on a project by marking a boundary for action, creating spaces for it. (5')

8. How to create this project? Which resources, people and knowledge do you need? (15')



9. Take a look at your map. What do you really want to keep? (10')

10. Choose a presenter, which takes the map to the other group. (2')

11. The presenter explains the map. Bomb what you don't like. Why? (You cannot bomb what is locked). Add 'likes' and 'warnings/opportunities' (10')
